Can you write and/or draw your favourite exercise today?

Mathematics:

Today we are mixing adding and taking away. We are looking at one more and one less. Remember adding is like Father Christmas (if you have been good, you get **MORE**). Taking away, is like a thief and you end up with less. **MORE** is bigger, less is smaller. This is Hide-a-saurus;

Phonics:

Today it's the 'er' sound, as in dinner.

Now, share the jolly phonics song. Can you say the sound before the song starts?

Creative

I love the idea that we could create our own world, full of our favourite things. Plan your world out first. Then, have fun making it! I look forward to seeing how creative you can be.
