Science with Ice.

This weekend your toys will be trapped in water (evil plan laugh)... frozen water, which is called..?

How could you rescue them? What works fastest?

Use the Science at home sheet for ideas and let me know what happens. You can draw, write, take photos, make a poster to let me know how you are able to save your toys.

Jesus had promised his followers a special helper - the Holy Spirit! The Holy Spirit came at Pentecost. Acts 2:1-4

Jesus had gone to be with His Father in Heaven. But, He left his friends a special gift that would always be with them, the Holy Spirit. The Holy Spirit filled the disciples with happiness. The disciples went forward and shared the Word of God. This is considered to be the birthday of the church.

The Holy Spirit is all around us and will be our special friend forever too.

A great way to end the week... Listen to Pharrell Williams track, 'Happy', dance, sing and enjoy! How does this song make you feel?

Draw your own happy pictures, happy thoughts, things that make you smile. Put them in a jar, box, or other container.

You have made your own happy collection to share with others.
