Year 6 Tasks

Art and D&T

- Research the artist Paul Nash. What did he paint and why? Could you recreate one of his paintings in any medium: paint, coloured pencils, pastels? Or a fact sheet about his work? Or both!
- Could you make some Easter biscuits and drop them to someone who would appreciate them?
- Can you build a tall tower that will support a tennis ball? How tall can you make it?

Maths

- Regular MyMaths tasks will be set. Look at the online lessons for the different learning modules.
- Please spend at least 10 minutes per day on Times Tables Rockstars.
- Can you measure the length of surfaces around your home? Now convert them into mm, cm, m.

English

- Have a look at the videos on Literacy Shed. Could you write a text of your choosing about one of them?
- Look at <http://www.pobble365.com/> Can you improve the 'sick' sentences?
- Can you write a letter as a soldier in the trenches? How would you describe your surroundings, thoughts and feelings? What would you miss from home?
- Write a leaflet for someone who is self-isolating? What advice would you give them to keep children entertained?

History and Geography

- Research your local area. What was it like during war time? Can you complete a table that compares similarities and differences between then and now?
- Using a six figure grid reference, could you make a map of your local area? Perhaps your home to your school?

RE

- Research the Stations of the Cross. Could you create a double-page spread of each station? Create a prayer in summary.
- Write a diary entry as Mary describing how you would feel if you watched Jesus' walk through the crowds, carrying the cross.

Science

- Can you keep a diary entry of an object's shadow on a sunny day? How does it change and why do you think this is?
- Create an animal. Tell me where it lives and how it has adapted to its environment. Could you draw it and describe it?
