

Individually we are each one colour,
together we make a rainbow.

St Mary's Together Maths Work

Violet Class
w/c 13/7/20

	<p>I have attached the accompanying worksheets for the week but you can find additional videos and activities on BBC Bitesize. https://www.bbc.co.uk/bitesize/tags/zhgppg8/year-5-and-p6-lessons/1 Your child should also be practising their times tables for at least ten minutes per day. Use Times Tables Rockstars and remember that you can also challenge teachers and other members of the class!</p>
Monday	Lesson 1 – Fractions to percentages
Tuesday	Lesson 2 – Equivalent Fractions, Decimals and Percentages
Wednesday	<p>Choice Time! Today you can choose an area of mathematics that you would like to work on. You can log onto MyMaths and select a lesson that will support you in developing this area of maths. Alternatively, you could use this day to practise your arithmetic skills by logging onto this website: https://myminimaths.co.uk/year-6-arithmetic-practice-papers/ There are mini papers and answers for you to stretch your skills.</p>
Thursday	Lesson 3 – Ordering FDP
Friday	Lesson 4 – Percentages – missing amounts
