

# St. Mary's Computing Celebration!

Welcome to the first edition of St. Mary's Computing Celebration!  
The work that has been created over the last 2 weeks has been incredible so I decided to create this flyer to celebrate the fantastic Computing work of all St. Mary's Pupils!

## Maze Game Challenge.

The quality of the games created has been fantastic, if you have yet to play on them; head over to Purple Mash and St. Mary's notice board and you can play on all the games. Alternatively, click on this link:

<https://www.purplemash.com/displayboard/54de4518fe02d1dd538b6958?showprevious=true>

## Winners

**Year 3** – Adam – For a well thought out game with a good theme.  
Estha – Great game and choice of collectables.

**Year 4** – Carly – Great theme and well-drawn collectables.  
Mia – Many people chose this as their favourite in their reviews.  
Fantastic game.

**Year 5** – Emily – Great game and well presented.  
Isobel – Fantastic drawn collectables and baddies. Well thought out.

**Year 6** – Ashley – Great design, fantastic game. Felt as if I was playing Pacman!  
Daniel – Loved the different countries on each level.

Prizes will be arranged when we're back in school.

## Pictures for the NHS.

Reception and Year 1 created some fabulous pictures to say thank you to the NHS. These will be displayed on the Purple Mash Thank you NHS board.

## Animations

Year 2 produced some fantastic animations. Unfortunately, you can't see the animations on here but I have added them to our display board so you can have a look there.

## Coding cakes.

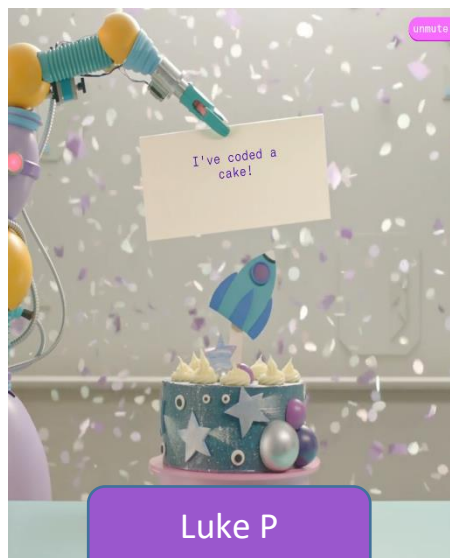

Thank you for all the pictures of cakes that have been sent to me when you've tried the BT Code a Cake website. If you've not yet had a go, you can try it here:

<https://www.bt.com/codeacake/sequencing>

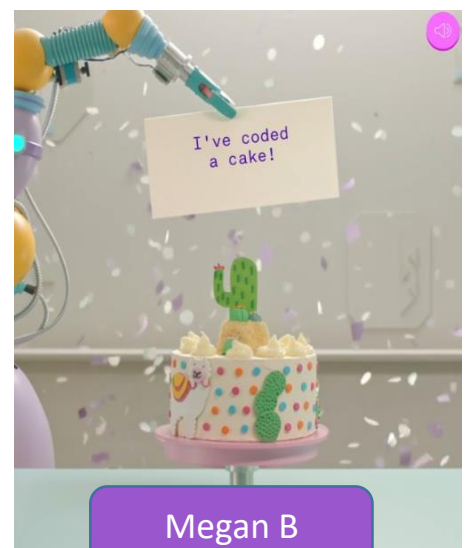

Here's a gallery of some cakes that have been sent in!

I hope you've enjoyed looking at the celebration of Computing!  
Looking forward to what you produce in the next few weeks.

Take care and keep safe.  
Love from Miss Morley xx
