

Good morning Red Class!

27th March 2020

It's Friday - I hope your week has gone well. Thank you for the pictures. I am so proud of how hard you are working and it is great to see your smiles!

Don't forget, you can always choose any activity from the Red Class Home Learning Pack!

PE

So let's start our morning with Joe Wicks at 9am

Or, here is the link for when we work together to Catch a Brain Wave. https://www.youtube.com/watch?v=GB6GNveF_08

Mathematics:

Helicopter rescue. Find the number activity. There are a few options to choose from. I would like you to choose either; 1-20, 1-30, 1-50 or for an extra challenge 1-100

Can you rescue the people?

Phonics

Today, the 'ear' sound. We have looked at this before, but it's tricky... There is an activity to try too.

Creative:

This is a long video- but you do not need to watch it all. It has some great ideas for drawings you can make starting with the shape of your hand

Can you guess what the picture will be? Can you try your own?
