

St Mary's at Home

Well done everyone for your amazing efforts building St Mary's at Home this week. It has been an outstanding effort on the part of everyone and it is quite clear that together we have created something wonderful. Take a look on the school website at our special page, 'St Mary's at Home', to see all the amazing work that has been set and completed over the course of the week. The staff are so very, very proud of all the children and so thankful to all the families who have supported the children with their learning this week. What a brilliant team effort. I am sure everyone is ready for a break this weekend.

So here is a special edition of our newsletter—St Mary's at Home. It is different from our usual newsletter as we have sent out our list of Celebration Certificates separately today and all the wonderful learning that has been happening is showcased on our website. So this week our newsletter is full of help and support for you. Hopefully you will find something here of use to you now or in the coming weeks.

Thank you again for your incredible efforts.

Please know that you are all in our thoughts and prayers at this time.

Liz Hills (Acting Headteacher)

Mass and Prayers

During this time it is not possible to access Sunday Masses and services. If you wish to continue to attend Sunday Masses, please use one of the following links to still participate in Mass and prayers and make a spiritual communion.
