

St Mary's Catholic Primary School School Bulletin

Friday 13th November 2020

SUBJECT	YEAR GROUPS RELEVANT TO	STAFF CONTACT
Remembrance	All	Liz Hills

Thank you to all those members of the school community who accepted the invite from Beacon Academy to join in their remote Remembrance Service this week. It was a fantastic opportunity for the Crowborough community to join together in their thoughts and prayers. The Year Five Team did an incredible job representing our school at this service and they also produced a thoughtful and reflective liturgy for the school to share. The children in Indigo Class also have done a wonderful job raising money for the British Legion through the sale of poppies and other items – the collection jar is full, showing that the generosity of our community, even at this very difficult time, remains strong. Thank you everyone for your efforts this week to remember those loved and lost.

A Message from the School Nurse Service	All	Liz Hills
During these unsettling times, as a parent/carer of child aged between 5-19, you may be worried about your child's health and wellbeing and be unsure about how to get the help you need. Our school nurses are still here to help - you can text them for confidential advice and support on a wide range of issues. Parent/carers of children aged 5-19 can send a text to: 07507 332473		
A Message to Parents/Carers from ISEND	Parents/Carers of Children with SEND	Liz Hills
We have updated the Local Offer page on activities and support during coronavirus for families with children who have additional needs. Families can still access childcare for work or respite. Some youth services and community support services are still open but most leisure activities are currently closed. We've updated where families can go for support during this period and have also added some new activities to do at home, for example the new Family Activity Box and Teen Wellbeing Bags that can be ordered from East Sussex libraries by click and collect.		
Covid Testing – A Reminder from the Government	All	Liz Hills
<p>Getting tested for coronavirus (COVID-19)</p> <p>Anyone who displays symptoms of coronavirus (COVID-19) can and should get a test. Tests can be booked online through the NHS testing and tracing for coronavirus (COVID-19) website, or ordered by telephone via NHS 119 for those without access to the internet.</p> <p>Coronavirus (COVID-19) symptoms are:</p> <ul style="list-style-type: none"> • a high temperature • a new, continuous cough • a loss or change to your sense of smell or taste <p>Pupils must not come into their education setting if they have symptoms and must be sent home to self-isolate if they develop symptoms. All children can be tested if they have symptoms, including children under 5, but children aged 11 and under will need to be helped by their parents or carers if using a home testing kit.</p>
