- The activity sheet is attached or can be reached by pressing the 'Maths Activities' button on *St Mary's Website*: <https://www.stmarysrc.e-sussex.sch.uk/orange-class-at-home>

Phonics:

You can practise *all* the sounds for Year 1 here: see PowerPoint of Year 1 phonemes (sounds): (<https://www.stmarysrc.e-sussex.sch.uk/orange-class-at-home> on St Mary's website

- A phoneme is a single spoken sound
- A grapheme is the written down form of that single sound
- A digraph is when 2 letters make one sound for example: 'sh' or 'oa'

- Today we are re-visiting the oi/oy sound
- How many ways can you think of to make this sound?
Answer:
- 'oy' (toy for a boy)
- 'oi' (spoil the boy)
- Rule: use oi in the middle of a one syllable word, use oy at the end

- boy, joy, toy, joyful, enjoy, annoy, destroy, royal, loyal, voyage, oyster
- boil, foil, soil, spoil, oil, coin, join, joint, point, quoit, void, hoist, moist
- Harder ones: choice, voice, noise, avoid, moisture, ointment, poison, toilet, turquoise
- (Check you know the meaning of all these words).

- BBC Bitesize 30 second oi clip: <https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zfj6jhw>
- Geraldine does oi: https://www.youtube.com/watch?v=IRTITdRL_cU
- Geraldine does oy: <https://www.youtube.com/watch?v=aodJQr-WJLk>

- Choose what you would like to do with your words today
- First check that you can read the words
- Write some of them onto pieces of paper and add the sound buttons
- If you wish, now you can:
 - Play phonics bingo
 - Play phonics pairs
 - Play phonics snap
 - Sort your words into oi/oy piles
 - Choose a book and be a word detective/phoneme spotter

Science:

This is a 2-day task, we are going to do some today and some tomorrow

On Friday we were thinking about how to look after a pet.

Here are the 2 short clips that we watched on Friday that explain to you all the things you need to do to look after a pet properly.

You might like to watch these clips again to remind yourself.

- How to take care of a pet (Miami based information, but good!): <https://www.youtube.com/watch?v=Yzv0gXqoCkc>
- How to care for a pet RSPCA: <https://www.youtube.com/watch?v=FOLP8p0jSoA>

You can also look at this PowerPoint (attached) about How to Look After Your Pet (or accessible to download from the website: <https://www.stmarysrc.e-sussex.sch.uk/orange-class-at-home> and press the button 'pets').

- Choose a pet (if you have pets of your own you can choose your own pet or a completely different pet).
- We are going to make a leaflet to explain how to care for a pet.
- This leaflet will help other people who do not know how to care for a pet.

Here are some examples of leaflets

To begin with, see if you can fold a piece of paper like this.

- First you need to design your front cover
 - It will need to have a picture of your pet on it
 - It will need a title . . . something like:
How to look after a Dog
or How to care for a Gold Fish
- Now you need to think about what you will put inside the 3 pages of your leaflet.
- You need to write simple information and draw pictures to go with your information.
- Here is a very simple one that I have made below, *you can do better!*

- Remember this is a *2-day job*, you can start today and finish tomorrow.

You have completed your Home Learning for Monday ~ Well Done 😊
