

# St Mary's Together

## Maths Work

Blue Class  
w/c 13/7/20

Please refer to the White Rose Website:

<https://whiterosemaths.com/homelearning/year-4/>

We will be looking at Summer Term, Week 12, W/C 13<sup>th</sup> July.

Monday	Today, you will be looking at lines of symmetry and working out where the line of symmetry on a shape should be. A mirror will help! I want you to watch the video on the White Rose Website and then complete the lesson 1 worksheet.
Tuesday	Today, you will be completing symmetrical patterns and shapes. I want you to watch the video on the White Rose Website and then complete the lesson 2 worksheet.
Wednesday	Today, you will be using coordinates to describe positions on a map. I want you to watch the video on the White Rose Website and then complete the lesson 3 worksheet.
Thursday	Today, you will use coordinates to draw on a grid. I want you to watch the video on the White Rose Website and then complete the lesson 4 worksheet.
Friday	Mental Maths  Completing mental maths quizzes can be a great way to strengthen your maths skills as you have to complete the questions quickly and draw upon the facts you know to help you.  Have a go at completing some mental maths tests here: <a href="https://www.math-salamanders.com/mental-maths-test.html">https://www.math-salamanders.com/mental-maths-test.html</a>  When you become confident, you could time yourself. Perhaps give yourself 15 seconds to answer each question.
Monday 20 <sup>th</sup> July	Why not use your maths skills to complete some of these fun maths games:  <a href="https://mathsframe.co.uk/en/resources/category/22/most-popular">https://mathsframe.co.uk/en/resources/category/22/most-popular</a>  <a href="https://www.topmarks.co.uk/maths-games/7-11-years/problem-solving">https://www.topmarks.co.uk/maths-games/7-11-years/problem-solving</a>  <a href="https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/">https://home.oxfordowl.co.uk/kids-activities/fun-maths-games-and-activities/</a>
