- A phoneme is a single spoken sound
- A grapheme is the written down form of that single sound
- A digraph is when 2 letters make one sound for example: 'sh' or 'oa'
- A trigraph is when 3 letters make one sound for example 'igh'
- Remember, I always give you lots of words but you don't need to use all of them!

What will you do with your words today?

Each day choose from:

- First check that you can read the words
- Write some of them onto pieces of paper and add the sound buttons
- If you wish, now you can:
 - Play phonics bingo
 - Play phonics pairs
 - Play phonics snap
 - Choose a book and be a word detective/phoneme spotter
