

Good morning Red Class!

25th March 2020

It's Wednesday - I hope your week is going well. Thank you for the pictures. It is lovely to see how hard you are working!

And don't forget, you can always choose any activity from the Red Class Home Learning Pack!

PE

So let's start our morning with Joe Wicks at 9am

Or, here is the link for when we work together to Catch a Brain Wave. https://www.youtube.com/watch?v=GB6GNveF_08

Mathematics:

Can you estimate the number? An estimate is a good guess, so it does not matter if you are not quite right. You should try first without counting.

Then under activities on Seesaw, or via e-mail, I have asked you to show me some Maths that you can do. Upload a photo, drawing or video.

Phonics:

We are revising some of our sounds that help us to read and write (phonics). Today we will look at the igh sound. This has three letters that work together to make one sound. On the BBC bitsize site, there is a video to watch and an activity to complete.

Then watch Geraldine.

Can you find any igh words in your house? Take a picture, write the igh word and send it to me
