

EnglishComprehension - Word Meaning

Today, we are going to focus on a skill we use when completing comprehension texts.

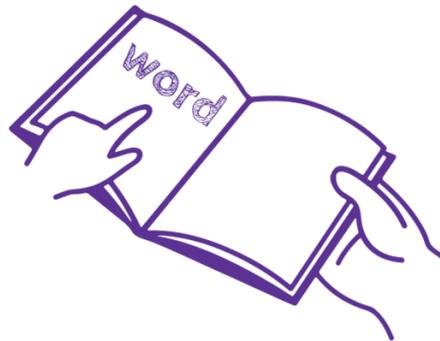

Often we are asked to predict the meaning of a word, to find synonyms or antonyms for a word. Today, we will look at how we can predict the meaning of a word by using clues in the text to help us.

Follow this link to the Oak National Academy where you will find a video and tasks to complete.

<https://www.thenational.academy/year-4/english/story-reading-comprehension-word-meaning-year-4-wk2-1#slide-1>

**Comprehension - Word Meaning**

- Read the word aloud
- Read the word in the context of the sentence
- Can you work out the word class?
- Could you replace the word with a synonym?
- What is the root word?
- Check in a dictionary

Focusing on the meaning of an unknown word is very important. As readers, we will continually encounter new words - which is great!

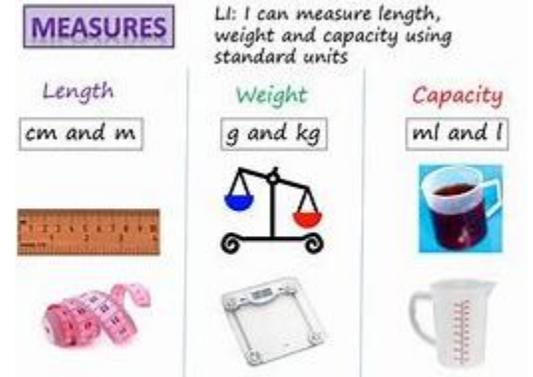

We should not skip over a new word or ignore it, instead we should investigate it and experiment with it.

## Maths

## Measurement

Today, we will look at measurements used for mass and capacity.

The Oak National Academy has a great video for you to watch and complete the tasks related to mass and capacity:

<https://www.thenational.academy/year-4/maths/measures-capacity-and-mass-year-4-wk3-4>

I have included the tasks that are found on the Oak National Academy's website on the next pages for you to look through.

**Part 2 of your task:**

Can you put these measurements in order of size from smallest to largest?

0.2kg	$\frac{1}{2}$ of 1kg	350g	
1500ml	2L	1.6L	
0.8km	90m	$\frac{1}{2}$ of 1km	
1.4kg	$\frac{1}{2}$ of 3000g	1600g	Double 0.9kg

Small

Lar

18:01

## To Start

Find pairs of matching measures and join them with a line

2 km

10 m

1 kg

1500 g

1000 m

1 km

1 l

0.5 l

1000 g

0.2 kg

20 g

0.01 km

1.5 kg

1000 ml

200 g

0.02 kg

500 ml

100 m

0.1 km

2000 m

## Other measurement conversions

Complete the tables

$$1000\text{g} = 1\text{kg}$$

g	kg
2000	
3000	
500	
7500	
750	
18500	

$$1\text{L} = 1000\text{ml}$$

L	ml
0.5	
0.2	
0.1	
2.3	
3.9	
31.5	

$$1000\text{m} = 1\text{km}$$

m	km
	0.1
	0.2
	0.01
	0.05
	4.9
	5.95

Can you put these measurements in order of size from smallest to largest?

0.2kg	$\frac{1}{2}$ of 1kg	350g

1500ml	2L	1.6L

0.8km	90m	$\frac{1}{2}$ of 1km

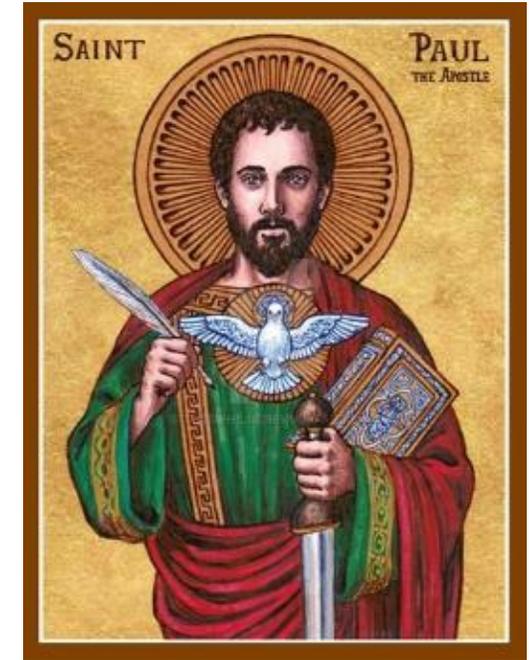

1.4kg	$\frac{1}{2}$ of 3000g	1600g	Double 0.9kg

## Religious Education

## The Story of Paul

Paul was originally called Saul. He was a Jewish man who came from Tarsus. He grew up in a Jewish home. He was a Pharisee (a member of an ancient Jewish religious party) and he did everything he could to be a good man. He kept every rule there was to keep, but he did not like the followers of Jesus. He did his best to wipe them out; however, God filled his mind and heart with the light of truth, and he recognised who Jesus was. Paul then knew he owed everything to God's love. All he wanted to do was spread the Good News of that love all over the world. When he became a Christian his name was changed to Paul.

Paul travelled many thousands of miles, on foot, on horseback and by boat to spread the Good News, mainly to the Gentiles (the people who were not Jews). In every place, he told people about Jesus and the power of the Holy Spirit. He explained the Good News that Jesus had come to bring - God loves everyone. He told them how Jesus had died and been raised to a new life by his Father in heaven and how the Holy Spirit helps people. He told them that Jesus wanted them to share this new life. When they asked him what they had to do to live this new life, he told them that they must believe and be baptised and try to live like Jesus, loving God and loving one another. They were to share their faith with one another, pray together and break bread together as Jesus had done with his friends at the Last Supper.

## The Story of Paul

You can see St. Paul's story here:

[https://www.youtube.com/watch?v=ROp0W\\_ZbtIs](https://www.youtube.com/watch?v=ROp0W_ZbtIs)

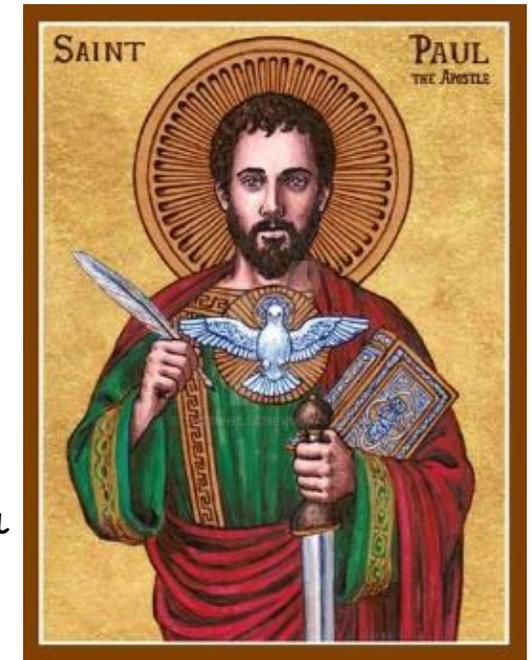

St. Paul helped to spread the Good News through telling people in person and through writing people letters.

Receiving a letter can be very special. Today, I would like you to write a letter to someone. I want you to share good news in this letter. You could share the Good News of God in this letter and you could share some good news that you have in your life.

### Task:

I would like you to write a letter to Fr. Kevin. You could let him know what you have learnt about St. Paul. You could share your own good news with Fr. Kevin. You could ask Fr. Kevin how he has been (he might even reply to you!). You could explain how you think Fr. Kevin has helped to spread the Good News of God within the St. Mary's community.

## P.E.

### Workout

Kidfit with Phil. This is on Facebook:

[https://www.facebook.com/groups/220830545665814/learning\\_content/](https://www.facebook.com/groups/220830545665814/learning_content/)

Please check with a parent/ carer that you are allowed to access Facebook.

### Dance

Oti Mabuse is organising daily dance classes. You will find the videos on her You Tube channel: <https://www.youtube.com/channel/UC58aowNEXHHnflR5YTtP4g>

Please check with a parent/ carer that you are allowed to access You Tube.

## Mindfulness

## Random Acts of Kindness

It is scientifically proven that doing good deeds for other people makes us feel good!  
It improves our mood and can actually help us to live longer!

This week, why not carry out a few secret random acts of kindness?

### You could:

Change your brother's bed sheets!

Empty the dishwasher before your parent does.

Wake up early and set up the breakfast table for the rest of your family.

Give your dad a foot massage.

Give your mum a make over!

Offer to clean up the kitchen after dinner so your parent can have a rest.

## Reading

Are you reading for at least 20 minutes a day?

### Epic

Have you checked out Epic?

There are so many fantastic books on Epic. You can choose many books to be read to you - so you could find a quiet space in your home and have a book read to you. There are other books which you can read along with the computer. Also you can read many books all by yourself.

### Audible

Audible has released lots of free stories for as long as schools are closed. Click on the link below to access many free audiobooks.

<https://stories.audible.com/start-listen>

### Bug Club

Also check out the fantastic books on Bug Club!

## Word of the Week

# benevolent

means well-meaning and kind

**She was a benevolent old lady.**
