Hot! Hot! Hot!

It's going to be hot on Sunday and we are doing all we can to take precautions for the weather

There will be plenty of gazebos to provide cover and the hall will also open so you can sit inside if needed

We are also providing water stations so bring a bottle!

There will be plenty of ice creams/ice lollies to buy to help keep cool

Please stock up on sun cream, hats, parasols and water for Sunday. Bring whatever you can to keep yourself and your family cool!

The bouncy castle is likely to get hot and so socks must be warm (children will not be allowed on without socks) and we are providing mats for the children to sit on going down the inflatable slide.
