We have asked our existing parents/carers with children due to start school in September 2021 to refrain from booking tours, in order to ensure we have the capacity to host as many 'new' parents/carers as possible.

**Mrs White**

At the beginning of October, we were visited by Maff from Camerados who ran some assemblies to introduce the six Camerado principles to the children.

We sent out some information yesterday regarding the pilot study that we are running in school and further information about the movement and their work can be found at [www.camerados.org](http://www.camerados.org).

Next term, we will be discovering more about how to be a Camerado and we will be using the resources that have been provided for us to support our RSHE lessons.
