

Violet Class' Home Learning Monday 18th May 2020

These tasks have been designed to help you 'structure' your day. You and your parents have to work together to decide which tasks are non-negotiable and which are not. We are excited to see all the learning that is taking place in your house and look forward to seeing all of your work! Don't forget to email your work to Miss Ticehurst Monday – Thursday kticehurst@stmarysrc.e-sussex.sch.uk and Miss Russell on Friday lrussell@stmarysrc.e-sussex.sch.uk

Session One	<p>PE with Joe Wicks 30 min session at 9am! Go along to The Body Coach's You Tube channel and join in with me! Make sure you have had suitable clothing and breakfast first! Tip: if you have skyQ or a chromecast device, you can use the TV screen! Also, why not try the Specsavers Virtual Challenge that was included in the newsletter? This week's sport will be announced at 9.30 am!</p>
Session Two	<p>Maths – Five minute test. Time yourself. Answer these ten questions and time yourself for 5 minutes. Write your answers in the front of your yellow book with the date and tomorrow I will send out the answers your daily lessons for you to green pen.</p> <p>Follow the link below and watch the video on Week 5 Lesson 1 https://whiterosemaths.com/homelearning/year-6/ Now complete the sheet that has been sent to you. You can print out the sheet or read it on your screens and write the answers in your book. Just remember to record your working out to ensure that you can track back if you aren't sure. When you have finished, please open your answer sheet and check your answers!</p> <p>To finish your maths lesson, please log onto Times Tables Rockstars for ten minutes and work through your garage mode. When you have finished, why not take part in your Battle of the Bands against Indigo Class? We can win this Violet Class!</p>
Session Three	<p>Below, you can see an image of the Chihuahuan Desert in Mexico. It is a vast and arid landscape that, although beautiful, would be very difficult to live in. I would like you to look at the image and mind map words and phrases that you think describe this setting. Give yourself 2 minutes on the clock. Now I would like you to have a look at the opening chapter that you have been given. This is about a boy who has been sent to a camp for delinquents in the middle of the desert. Can you see the techniques that make an effective description that shows and does not tell what the area looks like? The sentences that intrigue the reader? The repetition? I want you to image that you have been sent to the Chihuahuan Desert. That you have arrived there for the first time, stepped out of your air-conditioned car and been left there for whatever purpose you can imagine. How would you describe this setting? What would build the anticipation in the reader?</p>
Session Four	<p>Art- Self portraits You may have seen St Mary's staffs' attempts at self portraits that were sent out at the end of last week. Miss Russell and I even had a go! Could you guess which ones were ours? I'd like you to have a go at your own self portrait! Don't worry if you aren't confident – you could attempt an alternative style like some of the staff if you like! I have also attached a Powerpoint with a step-by-step guide to drawing portrait faces that you may have used before. Enjoy creating your own lovely faces and have fun with it even if you aren't sure!</p>
