Another busy week.	All	Mrs Scanlon

It has been another busy week here at St Mary's.

The children continue to be enthusiastic and hardworking and it's a pleasure to see them enjoying themselves and trying their best at school every day. I asked some of our children from each class this morning what they had enjoyed learning about this week and they said the following:

**Violet Class:** 'Using an atlas to find out about geographical features and other key information about different countries'

**Indigo Class:** 'Taking part in Bikeability'

**Blue Class:** 'Science - investigating how eggs react in different liquids as part of their learning about Teeth'

**Green Class:** 'Science - looking at and making fossils'

**Yellow Class:** 'Planting carrots and beans, so they can watch how they grow'

**Orange Class:** 'The Great Fire of London – making model houses so they could find out what houses were like in 1666'

**Red Class:** 'Playing and learning about castles in their Castle Area'

There certainly is plenty of exciting and interesting learning happening throughout the school and clearly these were some of the highlights for some of our children this week. This is what I see as I walk around the school and visit each classroom and an example of this happened today when I went into Red Class. The children took me excitedly to their Castle area and proudly showed me around this space and told me all about what happens in a castle. It was great fun, lovely to participate in and very much learning in action!

I do hope you have a lovely Bank Holiday weekend.

Best wishes

Mrs Scanlon

<b>Bikeability</b>	<b>Year 5</b>	<b>Mrs Piper</b>
--------------------	---------------	------------------

This week a number of pupils from Indigo class took part in Bikeability Training, provided by the East Sussex Cycle Training Team. We are all very proud of how responsible and mature they were this week. Their behaviour was a real credit to the school and they showed great listening skills. The participants were all rewarded with Level 2 Bikeability certificates today, which demonstrates that they have succeeded in demonstrating the skills required to cycle on the roads safely. Well done.

<b>May Day Public Holiday</b>	<b>All</b>	<b>Office</b>

A reminder that school is closed on Monday 3<sup>rd</sup> May as it is the May Day Public Holiday.

Very dear St Mary's Children, Staff, Parents and Carers,

Thank you, thank you, thank you with all my heart for all the amazing, touching, lovely and humbling wishes and incredible gifts that you have given to me.

I received so many lovely things. Where I can I have thanked you individually but this has not been possible in all cases. To those of you whom I haven't been able to thank personally, please accept my deepest thanks for the so many perfectly chosen, very personal, delightful, totally apt, delicious and absolutely overwhelming presents. I feel so blessed.

I've loved being a part of Team St Mary's and have many treasured memories. For now, I truly do feel 'teached out.' But a final word to your children, always follow your dreams, you *can* reach the stars!

Goodbye and thank you  
Miss Heathcote
