Help Shape the FSM

Have a think over the summer holidays if you would like to join the core FSM team We are a bunch of working Mum's who are trying to organize fun events for the kids and raise money for the school.

We have lots of thoughts on new events we'd like to run next year and welcome any new suggestions

From September we will need a Chair Person to help lead our team and the FSM will not be able to function without this role being filled.

You will be fully supported by the existing core team so if you would like to raise money for the school and help shape the Friends of St Mary's then this role could be for you.
