

Don't forget, you can always choose any activity from the Red Class Home Learning Pack!

PE

So let's start our morning with Joe Wicks at 9am

<https://www.youtube.com/channel/UC AxWIXTOiEJσOTYLRfn.6rYQ>

It is good to keep active!

Starting with a Story:

This week we will look at 'Supertato'. You do not need the story, but here is an online version to share.

<https://www.youtube.com/watch?v=rze89HB9u8g>

Summer 1, Week 1. Try the activities for Day 4.

Phonics

Right now, Phonics Play is free:

Username: **march20** Password: **home**

<https://www.phonicsplay.co.uk/member-only/BuriedTreasure2.html>

Enjoy the buried treasure game, sort the real words from the fake ones. Have a go at Phase 2, 3 or 4.

Super Science

Early years science is all about being curious, investigating and experimenting. We want children to experience different materials, to be able to describe their properties and to see how they can be adapted and changed. This not only helps them to understand their world but helps us to master a scientific vocabulary and use words such as transparent, liquid, smooth, etc. Washing-up bowl Science can be done inside or taken outside. Please play safely.

Ideas on page 2.
