

## Good morning Red Class!

It's Tuesday - time to do some handwriting practice, and think about our 'Seed Stories' once again!

And don't forget, you can always choose any activity from the Red Class Home Learning Pack!

Start the day with 'Catch a Brainwave' to wake up your body and your brain! <https://www.youtube.com/watch?v=GB6GNveF08>

### Handwriting

Approx time: 10 mins with adult support, followed by 10 mins independently.

Today we are focusing on writing the 'down up and over' family of letter sounds:

b	h	k	m	n	p	r
---	---	---	---	---	---	---

Have a look at the video clips, pictures and support (attached) for these letter sounds and how to write them. Choose two or three to focus on and have fun making the sounds, doing the actions and writing them down!

### 'Seed Stories'

Approx time: 15 mins to watch the video together and chat about it.

Spring has sprung and it's time to think about planting some seeds. Watch Topsy and Tim as they plant some seeds.

<https://www.bbc.co.uk/iplayer/episode/b03y7mzj/topsy-and-tim-series-1-26-growing-sunflowers>

After you've watched - can you remember:

What sort of seeds do Topsy and Tim plant? How do they plant their seeds?

What do they do to make sure their seeds will grow?

What will their seeds need to grow well?

### Extra activity (only if you want to!):

Approx time: 5 mins with adult support to get started, then 10 mins independently

I've got lots of seeds to plant in my garden, but I'm not quite sure what to do.... Can you help? Can you draw the different things I should do? Don't forget to send me your instructions so I know how to start off my spring garden!
